MEMORANDUM FOR THE NATIONAL SECURITY COUNCIL

SUBJECT: Proposed National Security Council Directives  
to the Central Intelligence Agency #2+3

REFERENCE: Memorandum for NSC from the Executive Secretary, same subject, dated December 10, 1947

In considering the enclosures to the reference memorandum at its third meeting, the National Security Council deferred action on the proposed NSC Intelligence Directives Nos. 2 and 3, pending reconciliation, within the National Military Establishment, of the divergent views of the Secretaries of the Navy and of the Air Force.

The determination of the Secretary of Defense on this matter is stated in the enclosed memorandum for the Secretaries of the Navy and of the Air Force.

The proposed National Security Council Intelligence Directives Nos. 2 and 3, enclosed with the reference memorandum, are accordingly placed upon the agenda for the 5th meeting of the Council for consideration in the light of the determination by the Secretary of Defense.
